There is little I wont do for you. !! You need to relax. everyday you violently complain , get angry , agitated. annoyed. . It is NOT HEALTHY. . you married the guy , ( against my advice ). you didnt want him profiting off the restaurants success without participating. you wanted to be 50/50. you told him you wouldnt do the deal unless you were. . you pressed the pedal on the position. . and the market went against you. you are short. with severe unknown downside risk. ( PG ). He has put his entire net worth on the line. Howie taking 25k is equivalent to stealing. in my view. he was not hired or authorized to work on behalf of the partnership. but demanded payment from the partnership. ?????? david doesnt know what he is doing. obviously. Alan is not competent to do projections . he can do bookkeeping not the same thing. . you have threatend to quit over and over. . you almost got in a fistfight. . you have been agitated to the point where you knowledgge of the numbers that you present is limited. I am very concerned for your health. . this is a biz that has issues. this is not a tragedy or calamity or catastrophe. . you are WAYYYYYYY overreacting to feeling you are getting fucked. and i would hope that you put your head down , get it open. try to make it a success. and sell it . and move on. when you left barry , separate from needing to travel . you made it clear that no more of this craaziness, but could concetrate on trading. you violoated your own rules on getting involved in buying illiquid investments. on putting on personal guarantees. need to get rid of this mess asap. it will take a few months, cashflow will play out and buyers will bid, someoene will make an offer and the decision will be complex. . YOU NEED TO RELAX< you tell me you are a construction bitch, a restaurant bitch davids bitch, this is all overblown by a multiple you need to get some perspective. .... howie and alan stoke the flames in you , and your head will explode and i will have to get your phone.
