Jeffrey,

I recommend we take advantage of enrollment in the HAPP (HoneyWell Avionic Protection Program) this program covers High dollar Honeywell equipment installed in the GIV's since we are installing DU885 cockpit upgrade we are entitled to first year enrollment, with \$10,000 discounts for 2nd and 3rd year. (2nd is \$31,097.00 and 3rd year is \$32,330.00) below is a list of covered items in this program, I have spoken to many GIV operators, this program is highly encouraged. failure of one component listed below pays for this program.

do you approve?

thank you,
Larry

Hello Larry,

Please see attached HAPP quote including the DU-885 upgrade price as follows:

1st Year FREE
2nd Year \$31,097 (\$10,000 dlls off included)
3rd Year \$32,330 (\$10,000 dlls off included)

In order to process the enrollment please complete the attached Customer Profile form so that I can work on your contract and send it for approval signature.

If you have any questions or comments please do not hesitate to contact me.

Best regards,
