Hi Jeffrey,

Hope all is well. Peggy said to email you about the below.

Can you give us some ideas? Your help is greatly appreciated. It means a lot.....

My sister, Jourdan, is wrapping up her Junior year at Lehigh University. She's an Economics major and had secured an internship back in December at a bank.

Last week they informed her that the department she was assigned to has been eliminated from the NY office and she would need to spend the summer in Chicago in order to work for them.

She's very disappointed to say the least. We're hoping you have some suggestions about where she can apply.

Jourdan is well versed in finance and is open to exploring opportunities in corporate finance, asset management and business development. She's so wonderful and such a hard worker.

I've attached her cover letter and resume to this email.

Look forward to hearing your thoughts.

Thank you, thank you, thank you.

Love,

Jenna and Peggy
