Jeffrey , Both of us devote a little time to this hobby project. We don't put this at our priorities . Arda mentioned that I can do YouTube video. Regarding me , I spend 80% of my time learning Chinese and GRE and searching for possibilities to build up my future . This is chinese result, I just didn't want to show off . Besides that i am working on nail saloon project very intensively, developing concept, logo, nail-teqnique which doesn't violate NY law, searching for space to rent with no commitment .
