lets get the gates info ready for 3 p.m. re Andrew and AYH, I asked him if he knew who the prior owner was, or if he knew who represented them, I also asked him and he agreed to tell us who represented us during the negotiation. you can rest easy, Andrew was unequivocal that he had no idea who it was, or what co it might have been, so your concern that it might have been a related party can now be put to bed. It was funny because he told me as i thought that it is something he would not be involved in himself, and said it would be like me telling someone who worke for me to get the job done. Im sure it will be resolved shortly. . On another note please check on the avaiiatblty of the 727 to fly to euopre in three weeks.
