Jeffrey - Attached is the Discussion Memo that Paul delivered yesterday. Our intent was to demonstrate our desire to do business with this client and at a meaningful amount. Although there are still details to work through before determining a firm structure, we hope this provides you a framework for our thought process on a potential approach.

We look forward to discussing this opportunity further.

Jeffrey, we delivered a hard copy of a discussion memo which outlines a structure and starting point. Laura and Kim are prepared to discuss as soon as you're ready. Thanks again and I'll email over as well.
