If we depart 11am to 1130am Friday no security approval required, (departures after 12:00pm on Friday requires pilot security accreditation, (I have applied for accreditation for departure two days ago and not approved yet).

Should I set up for departure at 11:30am Friday Paris-Bangor-Teterboro?

Thx

Jeffrey,
Eric removed the jump seat, it will arrive Friday. (Only two cockpit seats). Plus Thunderstorms are building now, test flight today is questionable.
I will accomplish ground functional tests today. Test flight Saturday or Sunday depending on Paris departure.
Should I arrive 8:30am tomorrow and take earlier flight out of miami if you decide to depart Friday afternoon?

Thx
Larry
