Jeffrey

I apologise for not mentioning in detail yesterday this situation, but assumed you had received the progress report from Zorro with attached JBH email.

the attached e mail from JBH is the last communication I have received from them.
I have left messages and sent an e mail requesting they call me, nothing as of date.
My next course of action will to go to there offices this afternoon and find out whats going on
Rich informed me yesterday they had been paid and was unable to make contact.

regards

Brice
