no problem, -- so far you and I have found 500 million in balance sheet errors. erroneous performance numbers, conflicting trust documents, conflicting provisions, no tax planning, . amendment to separation agreement ( maybe valid). tax free bonds in a non taxable portfolio, further investment commitments of over 50 million, millions of dollars in unnecessary fees, , invalid trustees. but and I kid you not , the nanny spent \$1,525 .40 . in jan. and \$309 dollars in feb. bud , arnold and porter, wayne , chris, alan, carlyn, no one in control.

I am both patient and dedicated. have no fear. but like a surgeon, I hesitate to tell you you need a bypass, and you respond by asking me ok, where do you think i should cut ..
