first try to see if he suggest that melinda could change her mind, push hard, is there any chance ,
if he says yes, then say ok, lets postpone discussion. if he says no, after many tries, say than we should not
wait and lets do it right away, I will announce I am taking a health leave starting next week, jeffrey will try
with you personally to come up . I sure there are many ways, and I am sure you two will figure something out.
Im sorry this happended but we will make the best of it,
a fair solution, he will meet you where and whenever you want, .

Find out if he knows how she found out, find out what he actually told her.
