Larry,

We're going to have IATS pay the final invoice to GD from escrow and release the balance to TRT Leasing, Inc. If you have any issue with that please let me know.

Dennis,

Last Tuesday and Wednesday it seemed there were a couple of questions concerning the predictive RAIM and the radome. I also still had an open item with a fuel bill on Larry's side of the invoice. I believe these items are resolved now and we can proceed with finalizing the work order. I should be able to have it finalized in the morning. My apology for any confusion related to this.

Thanks,
