Good day boss,

Between yesterday and today, I have contacted all the mention vendors and a few that was not on the list. None are willing to guarantee delivery by Friday morning so karyna can travel with it. I will continue to contact vendors that are still open in hopes that I can get it delivered.

Good Evening Boss,

As per request, and have ordered the server. Sir, I am not comfortable the amount of money without your knowledge of the transaction. If you don't like the price, sir, I have until Friday 12:00 to cancel with no penalties.

Below are the 4 vendors I have the approached. Included are their prices and fastest turnaround time to the Virgin Islands (None will FedEx):

Vender	Price for Server	Shipping Days	Comments
Caribbean Computer Consortium	\$5,680.00	5	This was my choice.
B&H	\$9,658.69	3-14	
Amazon	\$6,496.42	4-6	
CDW	\$5,443.76	'Next day' would be Friday (4 th of July holiday)to NY office	HBRK would the need to then FedEx to STT which would raise the price by \$500 to \$600

Respectfully Submitted,

JRuan

Good Morning Boss,

I submitted the specifications for the server for LSJ to our CDW representative yesterday. I did a follow up call this morning, and I am currently waiting on the quotes for the 5 suggested models and will forward the best fit to Rich for review and payment.
