Dear Jeffrey

Sorry for my late answer

The umbrella room will only be delivered for the end of February,the carpe twill be ready for mid February

The furniture will be ready in December

For your bathroom,I had meetings with the painter Florence Derive,she will do a project for the end of this month

And see attached the proposition for your bath

I will not buy the Lalanne console I went to see it,in Sothebys,so badly made,very narrow,the price is ridiculous

I hope you are fine
