Try to get a date for a meeting in AUg, If Bill says he sees no reason, I would suggest that you can remind him that he said he would, that your separation/discharge from gates, is a very big loss, you can ask again if he thinks you did something wrong, as it appears that he is acting as if you did. Ask him why? ask him why he is making this more difficult. ask him why he is treating you not as a friend, ask him why, where the issues are only money and future position, why he is not doing as much as he does for strangers, **"There are many solutions if he truly wants to find one, and few if he doesn't."** Is there a reason he does not want to work-help finding a solution. ? ? . Is there something he is not telling you, ?
