cobalt or diamond?, they are 3" x 3" versus the existing 6" x 6" you have now.

Good Morning

Attached are two links for your review and selection.

1. [REDACTED]
2. http://www.sgm.cc/html_Pool/Distributors/pool_spa_fountain_finishes_diamond_brite.html

1 for tile for tile band on pool and 2 for diamond brite colors.

The existing Diamond brite used was close to Tahoe blue. Please beware this color and other darker colors are prone to fading, due to sun and chemicals.

Lead time for this work to be done is 60 days.

Once I have an indication of tile selection, I will arrange for a sample to be sent to you.

any concerns let me know

regards Brice
