spoke. to deborah , again. MADNESS !!! , she said that max refernces needing to talk to harry, but she said i told him that harry has no say. . she found the accounting , she had it for ten days , . I will talk to her and max again on monday. the idea that you are paying taxes from the IRA is just WRONG / she also refernced this oft expressed view, but they are concerned about the increase in expenses. but upon being questioned she doesnt know any numbers AT ALL. when I asked her to forward you the accounting email she received from max, she said she couldnt do it today. ODD as it is simply pushing forward button on an email. . send her a note that asks that she send you the accounting ASAP
