did you send me a response. ? I had asked what do you want. specifically. . you talked about evidence of money over living and money in slovakia. and documents . ? have you made any money,? has aviloop. ? you belive that you don't have to work and earn money. your understanding is not rational , and contradicts emails for years. and you continue to ignore what i say and simply ask for more. I am not sure what it is you are asking for now. 100k , are we then done? do you think it is right for you to claim something , after walking out , that i have consistantly said for years is not the deal. I thought you were unable to make money, as the reasons you gave me overa nd over were realted to bad press. I can call later today, is this aviloop revenue, ? other, why so much. ?
