I agree. This would make things much easier. And much more tax efficient – and would circumvent going back for calls, etc.

With money Bill lend me, I buy the stake in FM. And pay back Bill 10mil and some time in future.

Larry – we discussed yesterday that we should not go back to Bill every day with some new proposal re amount of advance, numbers of draws, length of time etc – but this would work great – can you ask him that?

Thank you

Boris
