we are doing very well. Larry is mostly keeping his head, since doing the Fed will be one kind of wonderful next chapter and NOT doing the Fed another kind of wonderful next chapter. Not that we couldn't do without some of the press bashing. . He is doing yoga with me (funny and wonderful), playing golf, tennis etc--all on the Cape where people leave us mostly alone--and I am taping this MOOC like crazy, have contracted to do a companion book too.

I look forward to my conversation with Woody about Williams, and we'd love to have you all to brunch or dinner at our house or to meet in New York. And yes, let's schedule after we know how things have shaken out. Am dying to see Blue Ginger but it isn't here near us on Cape.

FYI, The online course is developing apace and will launch its first few modules this fall, one on the poetry of New England and one on Whitman, but we have taped and are lining up other segments
Larry has taped a wonderful reading of Oliver Wendell Holmes' One Hoss Shay and a discussion of its economic implications
Justice Elena Kagan has agreed to tape a reading in September on something concerning justice and so has Henry Louis Gates (Langston Hughes) and Samantha Power is in, and are getting closer to Robert Di Niro (Robert Creeley), Matt Damon (Frost), John Lithgow (Stevens), Yo Yo Ma. Harvard is helping me, Larry is helping me.

very fun...
how are you?

Lisa
