Subject: September 11th Meeting Agenda

Dear IPI Team –

As promised, attached is an agenda our meeting on Wednesday, September 11th. Thank you again for taking the time to join us in Seattle for this discussion.

In addition to the attached agenda, I have a few additional questions and documents to share:

1. Confirmation that we will receive your draft proposal by Wednesday, September 4th (via email);
2. Request for the white paper mentioned during our August 7th phone call (paper drafted in advance of your meetings with Mr. Gates and Dr. Nikolic, as I recall);
3. Can you please let me know if you have any dietary restrictions or requests? We will be working through lunch during our meeting on the 11th;
4. Please let me know Mark Shaw's title, location and the best way to connect him (via Video Conference or Phone) to the meeting on the 11th; and,
5. Do you need any additional information on our polio work and strategy? Just in case I have attached, courtesy of Melissa and the Polio Team, a paper on polio in the Horn of Africa. You might also appreciate seeing this link to gain a deeper understanding of our field partners and strategy: <http://www.polioeradication.org/ResourceLibrary/Strategyandwork.aspx>

Thank you and please let me know if you have any questions about any of the contents of this mail or your trip to Seattle.

Sincerely,
Amy
