NEW YORK (Standard & Poor's) August 16, 2013-- Standard & Poor's Ratings Services today announced that Beth Ann Bovino has been named U.S. Chief Economist for Standard & Poor's Ratings Services. Beth Ann has been very successful as S&P's main spokesperson for the U.S. economy in her role as Deputy Chief Economist and the new title is recognition of the significant contributions she has made.

this is a video of Beth Ann at work... (I imagine you probably are busy, but the interview gets a bit more relaxed at the end.)
