With" area" you mean: (1) Pakistan and Afganistan, (2) Nigeria and (3) Somalia ? One million for each pr year over five years? So it will sum up to 15 mill over five years.

On the Nexus Centre: BGs name is not mentioned. Shall I just drop it in this context, and keep the dialogue only with BG? Pls give guidance.

By completing these documents, we will be able to learn specifically how IPI will use the funds Mr. Gates has committed to advance our polio eradication efforts, as articulated in Melissa's July 12th email, below. The documents will also ensure that both of our organizations have a common understanding about the goals, objectives, activities and timeline for the work that IPI will undertake with our support.

But for now, please familiarize yourself with the templates and we will discuss them on our phone call. We of course will be happy to answer any questions you have about the templates (we appreciate at first review they might seem daunting), our process and anticipated timeline.
