Justina has left school and is on her way back to her apartment to shower...she apologizes, but today was very stressful because she had to take exams she was not aware of...she wants to get cleaned up and drop off her violin and hopes that coming as planned (5:45pm pick up and 7pm arrival) will still be ok. She says if it is important for her to come earlier she can try to be ready at 5:15.

Please advise if ok to keep her timing as already organized
