Oh.. I'm sorry, I'm so exhausted right now.. Still in a hospital - I'll do it after:)

I spoke with her doctor, and he said that he don't think that is good idea to flight her right now, because of this huge pain and swallow.

He said that she will get her surgery as soon as her swallow gets smaller. And he said all they can do right now - it's just give her as much pain killer as they can, and they already giving a maximum:(and he said that it's better for her to do the surgery in here cause the doctors in NY are so good in those types of surgeries.

But she still suffering so much:(

So I don't know what to do.

Her boyfriend is coming back on Wednesday, and probably her mom can arrive on Thursday.

Because everyone is so afraid to flight her back to Germany.

Thank you Jeffrey anyway for being so helpful all the time:)

Sending love,

Polina:)
