---

The last correspondence I had from Kim Steube is below. "let me know if you want me to proceed with a proposal"

Then Eric asked me to get a cost on Friday and Frank at Sacco (Kim and Mark were out of the office already) said he could not give me a cost and Kim would handle on Tuesday.

So Eric would not have asked for a price if he had thought the \$785 was from Sacco??

Hi [REDACTED],

I heard from our mill in Europe. They are currently closed for Summer Holiday and reopen on Aug 12<sup>th</sup>.

The production lead-time for 60 sq yards will be approx. 8 weeks from Aug 12th.

Let me know if you want to proceed with a proposal.

Thanks,

**KIM STEUBE**

Hi Eric

I took a sample of the Stark carpet to Kim at Sacco today to get an estimate of lead time for the carpet. They actually have the same one at Sacco.

Could you please send us the quantity that we will need so that Kim could estimate how fast they could get it to us.

Thank you
