[REDACTED] is not really sure what she is to be doing...she has an appt with her attorney tomorrow. She also has an appt w/the French Embassy [REDACTED]. She is not sure she can travel because of her status(?) She hopes to know more tomorrow after her appt w/the attorney.

I asked her if she needs me to purchase her a ticket to Paris so she can make her [REDACTED] at the French Embassy, but wants to wait to see what attorney says tomorrow because perhaps she does not need to go to the French Embassy at all...(?)
