Interestingly, my understanding is they both have a base of 250k and bonus of 100k but need to check. doesn't totally make sense since he is a partner at RK and she isn't. May be late enough in the year that they are looking to get bought out of bonus but maybe not. Will assemble thoughts on pkg later this morn. I have been inclined to staff with salary only but would like your thoughts - Leon's attitude is why would I give a bonus for doing the job I hired the person to do but if we go with Rich bonus might be appropriate. We woke up to a burst hot water heater here at my house. So I won't be in until 9-will be back once I have definite intelligence re comp. Leon seemed inclined toward Rich where do you come out?
