We have an appointment for 10.30am Thursday morning (earliest I could get). Should be finished around 11.30am. That will give her and [REDACTED] approximately 2.5 hours for shopping before [REDACTED] has to be at class. I hope that is ok.

I spoke to [REDACTED] before booking and she is happy for me to come with. I just cant reach her since I made the appointment to give her the time, her phone seems to be off. Will send a message and keep trying. She says she just wants to touch her roots up quite naturally, doesn't want to be too bright (white)/too orange

I go to yfkes woman at the plaza. But you have to be really strong and specific with her to get the exact result you want. Remember when she made me white.

[REDACTED] went to someone through [REDACTED] the first time she had highlights here and then had a touch up at the peninsula the second time. She was happy with the peninsula.

What do you think. Do you want to take a look at [REDACTED] and my hair?

I can always go with [REDACTED] if you would like.

Lesley instructed me that I no longer have to have [REDACTED] meet Leon after the concert. I am following her instruction. Just want you to know so there is no confusion.
