Attached is contract for GII purchase, Darren is reviewing this today for his markups.

Darren,

The LOI I signed this morning mentions a \$10k commish paid to buyers agent, the full contract makes no mention of this commission, and line 12 on full agreement notes "all previous agreements are superseded by this full contract", is this a correct assumption?

I feel that Gary should pay the \$10k commish from his \$40k commission, I thought it best to sign the full contract before informing Gary that he should bare the \$10k commish to buyers broker.

Jeffrey do you agree with this?

Thank you,

Larry

Larry,

Further to your request please find attached a draft of the Aircraft Purchase Agreement I prepared. Since the transaction is an "AS-IS, WHERE-IS" deal I kept the contract very simple. Once you have all had a chance to review and discuss with Rich and Darren please call or email me with any comments or changes you think are needed.

We look forward to to hearing back from you at your earliest convenience.

Thanks Larry,

I assume you are still going to fax it through as well?

Also, please note that we are preparing a draft of the Purchase and Sale Agreement.

Should we send it to you or directly through to Darren?

We would like to have Darren's comments, if any, before sending the draft through to the Purchaser.

Richard, will send this out on email, as I have to run off to Physical Therapy for my shoulder.

Sincerely,

Gary Anzalone - Managing Partner
