I understand, I only want good. I truly believe you need a change of environment, I can put you on payroll and you can travel on the opt. Sitting in New York is not healthy for you in my opinion.

The thing is I would lose my OPT and would not be entitled to regain it. After working extremely hard for two years to get it, I would not like to see that happen.

I found a temporary job today but they also cancelled on me this evening.
