Please advise if I should confirm Thursday for install. Merwin will run additional wire so there will be no additional charges including al's ridiculous comments on overnighting materials. I will beat him up once job is completed to your satisfaction.

Merwin and Richard,

Well it turns out you do not have to agree or not agree to the overnight charges for the cable as we actually have one in stock. So, this is what I need to know and would like an email confirmation stating that this is agreed upon.

- 1) We will drop off a 25ft 4K HDMI cable and 60+ ft of CAT6 (two runs of 30+ft) to be installed prior to our arrival.
- 2) We will overnight the receiver from California at the Air Saver rate.
- 3) We will perform the work on Thursday as per the proposal.

I need to place this order now to fulfill my offer for a Thursday installation. Please advise. Thank you.

Al

Al,

I don't recall not agreeing to overnight 25 ft. hdmi cable as you said you don't trust it.. I said ok to drop off cat 5 so I can run it on the ceiling myself before you get here.

I do not know. If he wants is ASAP then no matter what the fee this is the only way for us to get this done. Sorry.

As it is Merwin and I have agreed to overnight a 25ft (the longest 4K available) 4K HDMI cable and will also be dropping off some CAT6 as a backup. I do not trust a 25ft HDMI cable for 4K throughput.

Please advise.

Hello Rich,

The parts I need for this installation are not in the NY area and will need to be sent overnight from California. I suggest we schedule this for early next week to avoid the overnight charges. Please advise.
