i want to re do the entry of my NY house, send the lavender back to st petersburg,. fresh, young but in keeping with the classic flavor of the house. Much more importantly however. is the fact that Like one of your 400 special milk cows. I have been ruminating a great deal on last nights conversations. My thoughts;

1. You have fully accepted the complex responsibility for Benjamin, the girls and the continuation of the family heritage. The most important responsibility however I would suggest needs to be to YOURSELF. For the good of the rest , you are required be healthy physically and mentally. balanced , strong , but measured and flexible . maybe - A two to three day physcial , a full one. new machines, fast heart scans, full body with no radiation. etc. then a program , regimen that you will use your pit bull determination to follow. Keeping Ariane healthy - first priority.

2 , Regarding your estate, Over the next few weeks , I will send you some reading and a list of thought provoking questions. These will be on the unique problems of transferring Hi profile Family Wealth . Updated versions of what Edmonde was best at. Over the years new twists and opportunities have been born. I believe the questions might help initiate new ideas . actually I'm certain of it.

3. I like giving , but I love ,giving back. -- As only a small partial repayment for the invaluable advice that I received from your father in law. I would be happy to sit with you. then if you want - you and benjamin ,you and the girls , michelle included if you chose. .. Not as a teacher, but in order to share some of my experiences on the subject. If the past is any guide, the "all hands family "meetings have been remembered more than most other events in a young persons life. i.e.

Some of your daughters will need protection from the masses , some will need protection from your cousins, some will need protection from their partners and some will need protection from them selves.

4. This email as well as all our conversations I view as highly personal and confidential.
