Please see attached resume of controller candidate I would like to hire. After narrowing the field, I included Rich Joslin in the process. You will see from the matrix behind the resume we were extremely thorough and disciplined in assessing candidates. When I last spoke to Leon on the subject he asked me if we needed a controller in addition to our new CFO. I feel strongly we do. Rich J will likely spend ½ his time on tax planning. I do a significant amount of accounting that I need to hand off in order to continue to service Leon & Debra in varied responsibilities. Please let me know what you think. Best,
Eileen
