Hi [REDACTED],

Attached Photo of General Store Sign on the Adobe - noting work outside hence will need good weather to complete

Attached Photos of the Princess Deck - noting that if JE wants Ion to complete this work we will need to repair with sheetrock, replaster then Ion could paint, again outside work

Main House:

Repair/Paint numerous faux wood areas in Master Bathroom (Walls, Doors, Counter Tops)

Repair/Paint numerous walls in Pool Area

Repair/Paint columns in Movie Room

Resurface desk in Great Room

Repaint wall in small office

Repaint wall in kitchen area - no pattern required

Approx. 12 electrical cover plates to be faux painted, if possible

This is what we have as of date, let me know if you require anything further
