Jeffrey,
during my conversation with Gary, he informed me there is another broker that shows great interest in the GIIB with a buyer in Miami, a Venezuelan buyer. This broker would offer 350k possibly for the GIIB. Gary indicates this broker calls every other day to ask if the deal has closed. Gary told the Broker that our deal with current buyer my go default and would possibly accept an offer.
do you want Gary to pursue this lead in case our current deal does not work?

thx

Gary and Darren,
I still have had limited contact with my client at this point. He did email earlier that his health issues have precluded him from being able to concentrate on business issues at this time. I would respectfully request that we be granted an extension and reassess the situation at the end of the week. Again, your patience has been much appreciated.
