I understand the purpose of our meeting. I also don't want you to think I agree with your conclusion in your email to me.

I hope we can come to a fair agreement on monday that resolves all outstanding issues. I am waiting for the list of your real concerns and proposed solutions/as u said - prior to our meeting-

As you are well aware your right is limited by my ability to say yes or no.

I will of course agree to withhold that decision until after our meeting on monday.

As is our right, and not being confrontational, we are going to exercise the right and appoint Dan CFO effective Monday. Hope you will cooperate w this. He intends to be in the BRG offices next week. Just way way too big an investment for us, too old in vintage and too large a portion of the fund in which it resides. Thanks.
