I am in my seat. Door closed so I can't talk.
Will call you tmr.

Jee - I do not thank you enough. You were my only guide and a friend through all of this shit. My family was not there. Neither my friends or Sam. I can't ever never thank you enough for helping me through.
You are THE best

B

Hi Boris,

Those dates in HK should work for me and would be great to host you in HK. In the meantime, I believe we are setting up a call amongst Yuri, you and me for Sunday. Ahead of this, I wanted to send across the attached document that lays out fund and partnership structure.

Please let me know if we can discuss ahead of the call with Yuri? If you are on the west coast, maybe something around 6pm PT on Saturday (am also pretty flexible for the next few hours if that works better for you)

Regards

Saurabh

Great!

Thank you.

I could come to see you some time 28-30th if you are around?

I would schedule other meetings with few prospective LPs at the same time.

Please let me know

Thank you

Boris

Hi Boris,

Absolutely – we are moving things forward on our side and should have a document to discuss in a few days.

I don't have firm dates for my next US trip yet but will drop you a line as soon as I have it. In the meantime, please let me know if we should speak over the phone and we will find a time.

Best Regards

Saurabh

HI Saurabh,

Please let me know when can you talk?

I am anxious to keep moving it.

Which dates would work for you coming to Seattle?

All the best

Boris
