---

There are many more issues . in addition to the ones raised this morning . sorry I know you hate it. .... you have 460 million in trust for your issue. . 600 million in weird unneccary partnerships funds, goofy investments. . bxp has its neg basis, as well as fictional interests owed by both US news and daily news. . Art work with built in gains, . and no real guardianaship ,guidance, distribtuion , real life plan for the protection of rene and abigail, no leverage against attack, . and thats the good news

As I said , it's too late now, for this year . Shame - If you want next year allocation . Fee is back to standard . 40 million Paid 20 m dec , 20m jan . All in . No additional That means my taking charge of the process in consultation with nephews . Ellen stays . I put in three full time professionals , at my cost . You provide space . As you told Jeff bezos , those are the terms . As you forgot the 400 plus million for your kids , I don't think you will miss my fee .
