I do not know this guy.

I know his son - I introduce you him at TED.

This guy reached out after a TED and wrote me that he is a good friend with you.

He wants to meet since that time but I do not have much time these days.

Not sure what he wants from you or me.

Is he worth meeting?

Boris,

I did write a brief note to Jeffrey with a letter of intent to appeal to him for some funding.

I'd appreciate hearing from you when you have a moment.

Regards,

William
