Hello Jeffrey,

Just to let you know that I'll contact the lawyers to know if I can visit either the 25th or december 2nd.

Apparently visitors are only allowed on mondays.

Also my plans have changed. I am going home sooner that I thought. When I saw my uncle here he told me that he really wanted me back home asap.

I would really like to meet you whenever you have a free time to discuss with you ( if you could help me find) some oppourtunities/ business ideas that you think might work as I have to present them in December.

Have a great day.

Nina
