I'm working on it Faith. There are a couple of developments this week that will be relevant to the information that they've asked me for – a hearing tomorrow on a critical motion we've made in one of the California Lacy cases and a conference call on Wed or Thursday with our insurance company to discuss the degree to which they will cover us and reimburse or pay legal fees for Lacy. I also need to have a call with Stephanie on the Paris cases which I will do in the next couple of days. We agreed on our last call that I would put together the information they asked for and get it to them in a few weeks.
