I don't yet know if I can do this but its gonna be up to you Steve. We are paying you 2.5m to walk away from a disaster for our lps. Had the loan not been recourse, we would have filed. Instead, we paid you, paid for your building, paid for your brother, paid for your commissary, paid for multiple failed restaurants, like Kibo and Dos Vegas. I think we have paid you enough. That should be enough. We asked that you not compete w us for a short period cause you wouldn't do a long period and we went from 5 yrs to 6 months. Howies fees?

Well...dude..the only reason we are paying you the 2.5m to walk away is because of the documents Howie got you. So he's covered. Share with him.

Best

Barry
