Sir,

It may have slipped your mind, it was on my status report last week we reviewed on Saturday.

Pool controller went 90% down Monday, proposals have been acquired to review.

Rich Kahn has proposals, and he and I are reviewing today to choose best vendor for best price.

It has not been presented to you yet for approval.

It will be and has to be replaced before your visit since it controls main operations of pool.

Best regards,

Mark
