Greetings Rebel,

It was sitting in my SPAM box :)

Rich and Mark, based on measurements, photos, and JE, we have concluded that the slip-covered furniture on the terrace facing in to the main courtyard is from the Grand Scale collection, and the furniture on the St. John terrace is from the Belgian Classic collection. All three of the ottomans, based on measurements, are from the Belgian Classic collection. Restoration Hardware does not appear to sell covers for this particular ottoman, and based on the condition Anna found the existing ottomans in when she removed the covers to launder them, they should probably be replaced.

Please advise, DW
