Oh Jeffrey, it's such a great idea!! As I told- your ideas are always the best! Thank you so much! I'm sure my youngest sister will love it!

Other day I was talking to my mom and she was telling me she was thinking about getting a mini laptop for her work. The one she has now is very heavy and because of her back problems it is bad for her to carry it every day to her office. Do you think I could find a good deal for a small laptop at Apple Store?

Thank you once again for the mini ipad for my youngest sister. On November 26th is her birthday and I think she will be really very excited to get such a present!

Kisses!
