I am sorry I haven't been active on email.

I have a crazy schedule between now and when I leave for Christmas vacation on December 21.

It is normally very busy because of my Annual foundation letter but now I have a ton of Microsoft stuff added in – people, CEO search and strategy.

I am in Seattle except for December 2-3 in Washington DC and December 6-8 in Phoenix. I could carve out time during those trips.

In Seattle the easiest week to carve out time would be the week of December 16.

Anytime you could be here though I would figure out some way to see you.

Actually I also travel for Thanksgiving to California but that is all family time.

We could do a call instead.

I am really going to miss Boris and the work he does. I am hopeful this Yuri fund thing works out.

I have not focused on the DAF stuff because of all the Microsoft work.

That should calm down in January.
