Brice,

I could not find anything on the local vendor but he sounds valid. I Spoke to Jim direct and he has been doing this for a long time. This is good. The system that he is recommending is a business class system with unlimited data usage (good). I told him that was the only item not mentioned in the quote. He will add this line to the contract and send you another copy. Please make sure he adds this to the contract so you do not get hit with over data usage charges.

Call me for question after 5pm if needed.

Thanks,

Richard L. Boltz
