So we picked up 4 percent on the Marine transport and picked up 15 percent on the 5bn transp co. , so we are +13-14 percent on average. Not bad for less than 2 mos. I have a lot of more where those 5 came from.

Since you are a #s man like myself. Here is the update on the 5 names since we met. The Marine asset play 4.10-6.00 +48 percent. The high tech play 1.60-2.25. +41 percent. The 1bn alt energy co 3.50-4.50. +28 percent. The micro cloud play .38-.30, -21 percent and the 5bn transport co 14- 8.8. - 35 percent. So on average. +12 percent in 7 weeks. We are moving forward on the shell with 80mm. Let me know if you are in ?? Will be the next Icahn Holdings.
