In furtherance of the blow attached are the following:

1. Revised Separation Agreement (blackline) incorporating changes below
2. Revised Assignment (blackline) reflecting changes below
3. Clean execution copy of the Separation Agreement which now has separate signature page fro SPH Restaurant Enterprises, Inc.
4. Clean execution copy of the Assignment Agreement
5. Exhibit to Separation Agreement including the Transfer Agreement referred to in the new para.

Steve--if you are going to be away please make sure you leave two sets of originals with Remko

Thanks

Jonathan

So here is the latest. We discovered that SPH Enterprises, Inc. (f/k/a B.R. Guest, Inc.) was really SPH RESTAURANT ENTERPRISES, INC (f/k/a B R GUEST, INC.).

In order to fix this I suggest we add a para in the Separation Agreement where all parties acknowledge that there was a scrivener's error in the BRG Parent LLC Agreement and all amendments and side letters related thereto that had the wrong name and in the Transfer Agreement which we should attach as an exhibit to the LLC

Agreement exhibit. SPH Restaurant Enterprises Inc should sign onto this para. We will give it its own signature page so as not to mess up the pages
