Jeffrey,

I'm still looking for a gIV or similar for Woody,

I did find a good deal on a Lear 45, photos attached for \$15,000 except its Dec 26, Van Nuys to Palm Bch

If we use your GIV fuel would be \$29,000 which includes Billy and Dave pay,

I know I should be able to locate a GIV one way for that price or less

I'll keep searching

Thx

Larry
